Kaan FINNEY

Scientific Activities of Kaan FINNEY

Because of his professional background in legal responsibility for large complex civil, criminal and administrative matters, and on behalf of the Australian Securities and Investments Commission, Kaan FINNEY is formally being asked to participate in the scientific activities of LEJEP and the School of Law.

As an expert in the domain of International Criminal Law, he is being invited to teach in this field as it relates to his several specializations abilities.

In addition, he will be asked to share knowledge and experience based on his research relating to humanitarian law and rules of combat through conferences to the students and the LEJEP members.

Finally, as an Alumnus of the LL.M. Program he supports the growing international reputation of this LL.M. by staying closely involved in academic and research activities. He has been invited on a date between January and April 2016.
